MICHAEL ANDERSON

BEHAVIOR ANALYST

Compassionate and analytical Applied Behavior Analyst with a focus on working with adults with developmental disabilities. Over 6 years of experience in creating tailored behavioral programs to promote independence and enhance quality of life. Strong background in utilizing data collection and analysis to inform treatment decisions. Excellent communicator skilled in building rapport with clients and their families, ensuring collaborative approaches to behavior management.

PROFESSIONAL EXPERIENCE

Community Support Services

Mar 2018 - Present

Behavior Analyst

- Conducted assessments to determine client needs and develop individualized behavior plans.
- Implemented ABA strategies in community settings to increase client independence.
- Monitored progress and adjusted interventions based on data analysis.
- Collaborated with family members to ensure consistency in behavior management approaches.
- Provided training and support to staff on behavior intervention techniques.
- Facilitated workshops to educate community members about developmental disabilities.

Pathways to Independence

Dec 2015 - Jan 2018

ABA Therapist

- Assisted in implementing ABA programs for adults with developmental disabilities.
- Documented client progress and collaborated with behavior analysts for program adjustments.
- Engaged clients in social skill-building activities to improve community interactions.
- Supported clients in achieving personal goals related to daily living skills.
- Participated in team meetings to discuss client strategies and outcomes.
- Advocated for clients during community events to promote awareness of disabilities.

ACHIEVEMENTS

- Improved client independence by 50% through tailored intervention programs.
- Developed a community outreach program that increased awareness of developmental disabilities.
- Recognized for excellence in service delivery by a local advocacy group.
