

Michael

ANDERSON

BEHAVIOR ANALYST

Experienced Applied Behavior Analyst with a specialty in working with at-risk youth in residential treatment facilities. With over 7 years of experience, I have developed and implemented behavior modification plans that address both cognitive and emotional challenges. I excel in crisis intervention and have successfully reduced incidents of aggression and self-harm through tailored behavioral strategies.

WORK EXPERIENCE

BEHAVIOR ANALYST

Safe Haven Residential Treatment

2020 - 2025

- Conducted comprehensive behavioral assessments to determine individual needs.
- Developed and monitored behavior intervention plans to reduce negative behaviors.
- Provided training to staff on the implementation of ABA techniques and crisis intervention.
- Collaborated with multidisciplinary teams to create holistic treatment plans.
- Facilitated family meetings to discuss client progress and strategies.
- Analyzed data to evaluate the effectiveness of behavioral interventions.

BEHAVIORAL TECHNICIAN

Youth Empowerment Center

2015 - 2020

- Supported behavior analysts in executing individualized treatment plans.
- Tracked client behaviors and documented changes for ongoing assessments.
- Engaged clients in therapeutic activities aimed at skill development.
- Participated in crisis situations, applying de-escalation techniques effectively.
- Assisted in organizing community outreach programs to raise awareness.
- Contributed to team discussions to enhance treatment strategies and outcomes.
