### EDUCATION

**MASTER OF SCIENCE IN SOCIOLOGY,  
UNIVERSITY OF CALIFORNIA, BERKELEY**

### ACHIEVEMENTS

- Successfully evaluated a youth mentorship program that improved graduation rates by 20%.
- Co-authored a report that influenced statewide policy changes in social services.
- Received the 'Outstanding Research Award' from the Association for Non-Profit Research.

### PROFILE

With a solid background in applied sociology and over 10 years of experience in social program evaluation, I specialize in assessing the effectiveness of social interventions within non-profit organizations. My expertise lies in developing comprehensive evaluation frameworks that measure program outcomes and impacts on target populations.

### EXPERIENCE

#### EVALUATION SPECIALIST

##### Community Impact Solutions

*2016 - Present*

- Designed and implemented evaluation strategies for multiple social programs across different sectors.
- Conducted quantitative and qualitative analyses to measure program effectiveness.
- Collaborated with program managers to refine program goals based on evaluation results.
- Facilitated training workshops for staff on data collection and evaluation techniques.
- Created detailed reports and presentations for stakeholders to communicate findings.
- Established partnerships with local universities for research collaborations.

#### SOCIAL RESEARCH CONSULTANT

##### Non-Profit Research Group

*2014 - 2016*

- Conducted needs assessments and program evaluations for various non-profit organizations.
- Utilized statistical software to analyze large data sets and identify trends.
- Developed logic models to support program planning and evaluation efforts.
- Engaged with community stakeholders to gather feedback and insights on program design.
- Wrote grant proposals that successfully secured funding for program expansion.
- Presented findings to boards of directors and funding agencies to inform strategic planning.
