WORK EXPERIENCE

Community Aquaculture Educator 2020-2023

Local Aquaculture Initiative

- Developed community-based aquaculture training programs tailored to local needs.
- Conducted hands-on workshops that increased participant knowledge of aquaculture practices.
- Collaborated with local farmers to provide practical training opportunities.
- Facilitated discussions on aquaculture's role in local economic development.
- Managed outreach initiatives that increased community participation in aquaculture.
- Evaluated program success through participant feedback and skill assessments.

Aquaculture Training Coordinator 2019-2020

Aquaculture Skills Development Center

- Designed and implemented training programs focused on hands-on aquaculture skills.
- Organized field trips to local aquaculture operations for practical learning.
- Collaborated with industry experts to develop relevant training materials.
- Conducted evaluations to measure training effectiveness and participant satisfaction.
- Facilitated community forums to discuss aquaculture trends and innovations.
- Advocated for aquaculture education at local government meetings.

ACHIEVEMENTS

- Increased community awareness of aquaculture practices by 70% through targeted outreach.
- Received the Community Engagement Award from the Aquaculture Association.
- Developed a training program that led to the establishment of five new local aquaculture businesses.
