SKILLS

- Aquaculture Technology
- Research Development
- Biotechnology
- Data Analysis
- Team Leadership
- Community Outreach

LANGUAGES

- English
- Spanish
- French

EDUCATION

**PH.D. IN AQUACULTURE TECHNOLOGY,
UNIVERSITY OF AQUATIC SCIENCES**

ACHIEVEMENTS

- Received the Aquaculture Innovation Award for outstanding contributions to the field.
- Increased R&D funding by 50% through strategic partnerships.
- Published over 10 research papers in peer-reviewed journals.

WORK EXPERIENCE

LEAD AQUACULTURE TECHNOLOGIST

Aquatech Global Solutions

2020 - 2025

- Directed R&D projects focused on biotechnology applications in aquaculture.
- Enhanced fish growth rates by 30% through innovative feed formulations.
- Collaborated with universities on research projects to improve aquaculture practices.
- Published several high-impact articles on aquaculture technology advancements.
- Supervised a team of scientists and technicians in laboratory settings.
- Presented findings at international conferences, promoting industry advancements.

AQUACULTURE RESEARCH SCIENTIST

Innovative Aquaculture Inc.

2015 - 2020

- Conducted research on disease management strategies, reducing losses by 25%.
- Implemented biosecurity measures to protect aquatic species.
- Utilized advanced statistical tools for data analysis and interpretation.
- Collaborated with stakeholders to develop sustainable aquaculture practices.
- Assisted in the development of educational materials for farmers.
- Participated in community workshops to promote aquaculture awareness.
