WORK EXPERIENCE

Aquatic Therapy Program Manager

2020-2023

Healing Waters Rehabilitation Center

- Managed aquatic therapy programs for patients with diverse physical needs, ensuring a safe environment.
- Developed safety protocols tailored to therapeutic aquatic practices.
- Trained therapists and staff on best practices in aquatic safety and patient care.
- Conducted regular safety assessments of therapy pools and equipment.
- Collaborated with healthcare professionals to design individualized therapy programs.
- Engaged with patients and families to promote understanding of aquatic therapy benefits.

Aquatic Safety Instructor

2019-2020

Community Health Initiatives

- Taught aquatic safety courses to healthcare providers and community members.
- Developed training materials focused on safety in therapeutic aquatic settings.
- Conducted workshops on the benefits of aquatic therapy for rehabilitation.
- Monitored safety conditions of therapy areas, ensuring compliance with health regulations.
- Facilitated community outreach to raise awareness of aquatic therapy programs.
- Evaluated training effectiveness and implemented improvements based on feedback.

ACHIEVEMENTS

- Developed an aquatic therapy program that served over 300 patients annually.
- Recognized by the National Physical Therapy Association for excellence in aquatic therapy practices.
- Increased patient satisfaction scores by 25% through enhanced safety measures.
