WORK EXPERIENCE

Consultant

2020-2023

WaterSmart Consulting

- Conducted assessments of local aquatic programs to identify strengths and areas for improvement.
- Developed customized training programs for aquatic staff focused on safety and participant engagement.
- Collaborated with community leaders to promote aquatic literacy and safety initiatives.
- Utilized data analytics to inform program adjustments and enhancements.
- Facilitated workshops for community members on water safety practices.
- Established a network of aquatic professionals to share best practices and resources.

Aquatic Program Manager

2019-2020

Green Lake Recreation Center

- Managed aquatic programs that served over 1,000 participants annually.
- Implemented community outreach initiatives that increased awareness of aquatic offerings.
- Conducted regular evaluations of program success through participant feedback.
- Developed partnerships with local organizations to enhance program resources.
- Trained staff on best practices in aquatic safety and education.
- Monitored budget and financial performance of aquatic programs to ensure sustainability.

ACHIEVEMENTS

- Increased program participation by 30% through targeted community outreach.
- Received accolades for contributions to aquatic safety education from local government.
- Secured funding for new aquatic initiatives totaling \$25,000.
