WORK EXPERIENCE

Public Art Metal Artisan 2020-2023
City Art & Metal

- Designed and created large-scale metal sculptures for public art installations.
- Collaborated with local artists to conceptualize and fabricate unique metal artwork.
- Managed all aspects of the fabrication process, ensuring artistic integrity and structural safety.
- Engaged with community stakeholders to gather input and feedback on projects.
- Participated in art fairs and exhibitions to showcase completed works.
- Documented the creative process for educational purposes and community outreach.

Metal Fabrication Intern 2019-2020
Artistic Metal Designs

- Assisted in the fabrication of artistic metal pieces for galleries and exhibitions.
- Learned various techniques for metal forming, welding, and finishing.
- Supported project managers in tracking timelines and project milestones.
- Helped maintain a safe and organized workshop environment.
- Participated in community outreach programs to promote metal arts.
- Contributed to brainstorming sessions for new art concepts.

ACHIEVEMENTS

- Completed over 10 public art installations recognized by local art councils.
- Featured in art publications for innovative approaches to metal sculpture.
- Received the 'Community Artist Award' for contributions to local art initiatives.
