- Developed training materials adopted by other educational institutions for aromatherapy courses.

Michael Anderson

PRODUCT DEVELOPMENT AROMATHERAPIST

Creative and detail-oriented aromatherapist with 5 years of experience in developing innovative essential oil products for various applications. My background in product formulation and sensory analysis allows me to create unique blends that cater to both therapeutic and aesthetic needs. I have a strong passion for educating clients about the benefits of aromatherapy and essential oils, which I combine with hands-on experience in developing new products.

EXPERIENCE

PRODUCT DEVELOPMENT AROMATHERAPIST

Aroma Innovations

2016 - Present

- Developed and launched a line of essential oil blends for stress relief that increased sales by 40%.
- Conducted research on emerging trends in aromatherapy to inform product development.
- Collaborated with marketing teams to create effective promotional campaigns.
- Led sensory evaluation sessions to fine-tune product formulations.
- Trained staff on the benefits and applications of new products.
- Managed inventory and supply chain logistics for essential oil sourcing.

AROMATHERAPY EDUCATOR

Essential Learning Academy

2014 - 2016

- Designed and delivered courses on the therapeutic use of essential oils to various audiences.
- Created educational materials that improved student understanding of aromatherapy principles.
- Facilitated hands-on workshops that engaged participants in essential oil blending.
- Evaluated student performance and provided constructive feedback.
- Organized community events focused on the benefits of aromatherapy.
- Collaborated with local businesses to promote aromatherapy education.
