MICHAEL ANDERSON

PRINCIPAL BLACKSMITH

Accomplished blacksmith specializing in the creation of large-scale sculptures and architectural metalwork, characterized by innovative designs and superior craftsmanship. Over 20 years of professional experience in various aspects of blacksmithing, including forging, welding, and finishing techniques.

Recognized for the ability to blend traditional methods with contemporary artistic expressions, resulting in impactful pieces that enhance public spaces.

PROFESSIONAL EXPERIENCE

Sculpted Metalworks

Mar 2018 - Present

Principal Blacksmith

- Led design and fabrication of large-scale public art installations across various cities.
- Collaborated with architects and urban planners to integrate metalwork into architectural designs.
- Supervised a team of skilled artisans, ensuring quality and adherence to project specifications.
- Conducted safety training sessions to promote a culture of safety in the workplace.
- Engaged with community stakeholders to align projects with public interests and aesthetics.
- Provided expert consultation on metalwork design for civic improvement projects.

Artisan Forge

Dec 2015 - Jan 2018

Artistic Blacksmith

- Designed and created custom sculptures for private and commercial clients.
- Utilized advanced metalworking techniques to produce intricate designs.
- Engaged with clients to understand their artistic vision and deliver exceptional results.
- Participated in national art competitions, receiving accolades for innovative works.
- Maintained a clean and organized workspace, ensuring efficient workflow.
- Documented fabrication processes for educational purposes and future reference.

ACHIEVEMENTS

- Recipient of the National Sculpture Award for excellence in public art, 2022.
- Successfully completed over 50 large-scale projects, enhancing urban landscapes.
- Featured in multiple art publications for innovative sculpture designs.
