Michael Anderson

ASSESSMENT COORDINATOR

Innovative Assessment Coordinator with a robust background in technology and education, possessing over 7 years of experience in the development of digital assessment tools. I am passionate about leveraging technology to enhance assessment processes and improve educational outcomes. My experience includes designing and implementing online assessments that are both engaging and effective in measuring student learning.

EXPERIENCE

ASSESSMENT COORDINATOR

EdTech Solutions

2016 - Present

- Designed interactive online assessments that improved student engagement by 50%.
- Collaborated with software developers to create a user-friendly assessment platform.
- Analyzed user data to refine assessment content, resulting in a 30% increase in completion rates.
- Trained educators on the effective use of digital assessment tools.
- Managed the integration of assessment tools within the LMS, streamlining data collection.
- Collected and analyzed feedback from students to enhance assessment validity.

DIGITAL ASSESSMENT SPECIALIST

Virtual Learning Academy

2014 - 2016

- Developed digital assessments for online courses, increasing accessibility for remote learners.
- Utilized analytics tools to track student performance and engagement.
- Facilitated webinars to educate faculty on best practices for digital assessments.
- Collaborated with curriculum designers to ensure assessments aligned with course objectives.
- Conducted usability testing for assessment tools, optimizing user experience.
- Presented assessment data to stakeholders, influencing program development decisions.
