MICHAEL ANDERSON

ASSESSMENT DEVELOPMENT SPECIALIST

Creative Assessment Designer with over 5 years of experience in the nonprofit sector, dedicated to enhancing educational opportunities for underserved communities. My focus is on developing culturally responsive assessments that address the unique needs of diverse student populations. I have successfully led projects aimed at improving assessment accessibility, ensuring that all students have equitable opportunities to demonstrate their knowledge and skills.

PROFESSIONAL EXPERIENCE

Empower Education Initiative

Mar 2018 - Present

Assessment Development Specialist

- Developed assessments that are culturally relevant and accessible for diverse student populations.
- Collaborated with community organizations to gather input on assessment design.
- Monitored assessment implementation and provided feedback for continuous improvement.
- Trained educators on culturally responsive assessment practices.
- Conducted workshops to engage parents and community members in the assessment process.
- Analyzed assessment data to identify trends and areas for improvement.

Community Learning Center

Dec 2015 - Jan 2018

Curriculum Coordinator

- Designed and implemented assessments aligned with community learning objectives.
- Facilitated focus groups with students and parents to gather feedback on assessment effectiveness.
- Integrated technology into assessments to enhance engagement and accessibility.
- Developed training materials for teachers on assessment strategies.
- Monitored student performance and provided insights for curriculum adjustments.
- Led initiatives to improve assessment literacy among stakeholders.

ACHIEVEMENTS

- Improved assessment accessibility for over 500 students in underserved communities.
- Received recognition for excellence in service to the community from local government.
- Published reports on assessment practices in nonprofit education journals.
