Strategic Assessment Developer with over 6 years of experience in the international education sector. I specialize in creating assessments that support language learning and cultural competency for diverse learner groups. My experience includes developing assessments for language proficiency, including formative assessments that aid in ongoing learner development. I am skilled in utilizing technology to deliver assessments effectively to remote learners.

💼 WORK EXPERIENCE

Assessment Developer   2020-2023

Global Learning Institute

- Developed language proficiency assessments for adult learners in a global context.
- Collaborated with international educators to design culturally relevant assessment tools.
- Utilized online platforms to deliver assessments, reaching learners across multiple countries.
- Conducted research on language acquisition to inform assessment design.
- Trained instructors on best practices for assessment administration and feedback.
- Analyzed assessment data to provide insights for program improvement and learner success.

Language Assessment Specialist   2019-2020

International Language Academy

- Created assessments focused on cultural competency and language skills for diverse student populations.
- Facilitated workshops for educators on integrating assessment into language instruction.
- Collaborated with curriculum developers to ensure alignment between assessment and instructional materials.
- Utilized data analytics to track learner progress and inform teaching strategies.
- Conducted pilot assessments to gather feedback and improve assessment quality.
- Presented findings at international education conferences to share best practices in language assessment.

★ ACHIEVEMENTS

- Improved learner satisfaction ratings by 30% through culturally responsive assessment practices.
- Created an innovative language assessment model recognized by industry leaders.
- Contributed to a significant increase in language proficiency test pass rates by 20%.
