Michael Anderson

EQUITY ASSESSMENT SPECIALIST

Dynamic Assessment Specialist with 6 years of experience in the non-profit sector focusing on educational equity. Skilled in designing assessments that cater to underrepresented student populations. Strong background in community engagement and collaboration with diverse stakeholders to ensure assessments are culturally relevant. Committed to using assessments as a tool to inform educational practices and policies aimed at reducing achievement gaps.

EXPERIENCE

EQUITY ASSESSMENT SPECIALIST

Future Leaders Foundation

2016 - Present

- Designed assessments focused on measuring student engagement and success in underserved communities.
- Conducted data analysis to identify achievement gaps and recommend interventions.
- Collaborated with local schools to implement culturally relevant assessment practices.
- Facilitated community forums to gather input on assessment effectiveness.
- Prepared reports for stakeholders to highlight assessment findings and recommendations.
- Trained educators on the importance of culturally responsive assessments.

PROGRAM EVALUATOR

Community Education Coalition

2014 - 2016

- Evaluated educational programs aimed at increasing access to quality education.
- Utilized mixed methods to assess program impact and student outcomes.
- Developed evaluation frameworks that aligned with community needs.
- Presented findings to stakeholders, leading to program adjustments.
- Engaged with community members to understand their educational challenges.
- Collaborated with grant writers to secure funding for assessment initiatives.
