# MICHAEL ANDERSON

## ASSET VALUATION MANAGER

Accomplished asset valuation analyst with a robust foundation in financial analysis and investment strategy development. Expertise encompasses a wide range of asset classes, with a focus on real estate and private equity valuations. Demonstrates a keen ability to synthesize complex data into actionable insights that inform high-level investment decisions. Proficient in leveraging cutting-edge valuation methodologies and tools to enhance accuracy and efficiency.

## **PROFESSIONAL EXPERIENCE**

### **Real Estate Investment Trust**

*Mar 2018 - Present*

#### Asset Valuation Manager

- Oversaw valuation processes for a diverse portfolio of real estate properties, ensuring compliance with industry standards.
- Implemented advanced valuation techniques to enhance accuracy and reduce turnaround times.
- Collaborated with asset management teams to develop strategic recommendations based on valuation outcomes.
- Conducted market analysis to support investment decisions and identify growth opportunities.
- Prepared and presented valuation reports to executive leadership, facilitating informed decision-making.
- Trained and supervised a team of analysts, promoting professional development.

### **Private Equity Firm**

*Dec 2015 - Jan 2018*

#### Senior Valuation Analyst

- Executed valuations of private equity investments, focusing on market comparables and DCF analysis.
- Conducted thorough due diligence to assess potential investment risks and returns.
- Collaborated with financial reporting teams to ensure timely and accurate reporting.
- Developed valuation models that improved forecasting accuracy by 15%.
- Engaged stakeholders in discussions regarding valuation methodologies and assumptions.
- Assisted in fundraising efforts by providing detailed valuation analyses.

## **ACHIEVEMENTS**

- Achieved a 35% increase in valuation accuracy through the implementation of new methodologies.
- Received recognition for outstanding contributions to investment strategy development.
- Led a project that resulted in a 20% reduction in valuation processing time.
