## SKILLS

- Survey technology
- data collection
- project planning
- CAD drafting
- compliance
- technical support

## EDUCATION

**BACHELOR OF SCIENCE IN SURVEYING TECHNOLOGY, NATIONAL UNIVERSITY, 2016**

## LANGUAGE

- English
- Spanish
- German

## ACHIEVEMENTS

- Improved survey accuracy by implementing new quality control measures.
- Recognized for outstanding contributions to a successful infrastructure project.
- Increased team efficiency by 15% through improved communication protocols.

# Michael Anderson

## SURVEYING ASSOCIATE

Proficient assistant surveyor with a strong emphasis on precision and quality in surveying practices, particularly within the construction and civil engineering sectors. Extensive experience in utilizing advanced surveying instruments and software to deliver accurate and reliable survey data. Recognized for exceptional problem-solving abilities and a meticulous approach to project execution, ensuring that all surveying activities meet or exceed established standards.

## EXPERIENCE

### SURVEYING ASSOCIATE

Constructive Surveyors Ltd.

2016 - Present
