

MICHAEL ANDERSON

Surveying Intern

Results-oriented assistant surveyor with a focus on precision and efficiency in land surveying and data collection processes. Demonstrated ability to apply advanced surveying techniques and technologies to facilitate successful project outcomes. Adept at working collaboratively with engineers and project managers to ensure that survey activities are completed on schedule and within budget.

WORK EXPERIENCE

Surveying Intern

2020-2023

Land Survey Solutions

- Supported survey teams in conducting field surveys for various projects.
- Utilized GPS technology for accurate data collection and mapping.
- Assisted in preparing survey documentation and reports.
- Maintained equipment and ensured compliance with health and safety standards.
- Participated in team meetings to discuss project progress and challenges.
- Learned and applied surveying principles under the guidance of experienced professionals.

Assistant Surveyor

2019-2020

SurveyTech Consultants

- Conducted surveys for residential and commercial properties.
- Prepared detailed reports for regulatory compliance and client review.
- Collaborated with design teams to ensure accurate data integration.
- Utilized CAD software for drafting survey plans and documents.
- Engaged with clients to address survey-related inquiries and concerns.
- Supported senior surveyors in training and project execution.

ACHIEVEMENTS

- Completed a major survey project ahead of schedule with zero discrepancies.
- Recognized for exceptional performance during internship with a full-time offer.
- Contributed to a 10% increase in project efficiency through process improvements.
