# MICHAEL ANDERSON

## THEATER SOUND DESIGNER

Accomplished Audio Designer with a strong background in the performing arts, specializing in theatrical sound design. Expertise in creating atmospheric soundscapes that enhance live performances, ensuring a seamless auditory experience for audiences. Proven ability to collaborate with directors, actors, and technical teams to develop sound concepts that elevate stage productions. Skilled in utilizing advanced sound equipment and software to achieve precise audio outcomes.

## **PROFESSIONAL EXPERIENCE**

### **Broadway Productions**

*Mar 2018 - Present*

Theater Sound Designer

- Designed and implemented soundscapes for over 20 theatrical productions.
- Collaborated closely with directors to integrate sound with performance.
- Managed sound equipment setup and maintenance for live shows.
- Utilized QLab for audio cue management during performances.
- Supervised sound technicians during rehearsals and performances.
- Conducted post-show evaluations to gather audience feedback.

### **City Theater Company**

*Dec 2015 - Jan 2018*

Audio Technician

- Assisted in sound setup and mixing for various theater productions.
- Operated sound boards during live performances to ensure quality.
- Collaborated with designers to create sound effects tailored for shows.
- Maintained sound equipment and inventory for productions.
- Trained new technicians on sound operations and equipment.
- Documented sound design processes for future reference.

## **ACHIEVEMENTS**

- Received the Tony Award for Best Sound Design in a Musical.
- Designed sound for a production that achieved a record-breaking run.
- Recognized for innovative sound techniques that enhanced audience experience.
