MICHAEL ANDERSON

LEAD AUDIO ENGINEER

Accomplished Audio Producer with a robust background in live sound engineering and event production. Expertise in delivering high-quality audio experiences for concerts, festivals, and corporate events, utilizing advanced sound reinforcement systems. Recognized for exceptional problem-solving abilities and a commitment to ensuring the highest standards of audio quality in fast-paced environments. Adept at managing large teams and coordinating logistics for complex audio setups, ensuring seamless execution from start to finish.

PROFESSIONAL EXPERIENCE

Live Sound Events

Mar 2018 - Present

Lead Audio Engineer

- Engineered sound for over 100 live events annually.
- Coordinated audio setup and teardown processes for large-scale concerts.
- Managed a team of sound technicians and assistants.
- Conducted extensive sound checks to optimize audio quality.
- Trained team members on sound equipment operation.
- Resolved technical issues swiftly during live performances.

Festival Sound Group

Dec 2015 - Jan 2018

Audio Technician

- Assisted in the audio production for major music festivals.
- Set up and maintained audio equipment for various stages.
- Collaborated with artists to achieve desired sound quality.
- Performed routine maintenance checks on all sound equipment.
- Operated mixing consoles during live performances.
- Documented equipment inventory and maintenance logs.

ACHIEVEMENTS

- Successfully managed audio for a festival with over 50,000 attendees.
- Recognized for excellence in sound quality at the National Festival Awards 2020.
- Developed a training program for new audio technicians that improved performance by 30%.
