MICHAEL ANDERSON

FORENSIC AUDIT SPECIALIST

Strategic Audit Lecturer with a strong background in forensic auditing and fraud examination. Possesses an analytical mindset and a keen ability to dissect complex financial situations, providing students with invaluable insights into the intricacies of auditing practices. Committed to cultivating an environment of inquiry and critical thinking, fostering students' ability to analyze and interpret financial data effectively.

PROFESSIONAL EXPERIENCE

Fraud Investigation Agency

Mar 2018 - Present

Forensic Audit Specialist

- Conducted forensic audits to uncover fraudulent activities and irregularities in financial statements.
- Collaborated with law enforcement on cases involving financial crime and misconduct.
- Developed detailed reports outlining findings and recommendations for remediation.
- Utilized data analytics tools to enhance investigative processes and outcomes.
- Trained corporate clients on fraud prevention and detection strategies.
- Presented at conferences on the importance of forensic auditing in modern business practices.

University of Criminal Justice

Dec 2015 - Jan 2018

Lecturer in Forensic Accounting

- Designed and taught courses focused on forensic accounting and fraud examination techniques.
- Integrated case studies and real-world scenarios to enhance student understanding of complex issues.
- Supervised capstone projects that emphasized practical application of forensic auditing skills.
- Engaged students in discussions on ethical considerations in auditing and fraud detection.
- Organized guest lectures with industry experts to provide practical insights.
- Evaluated student performance through diverse assessment methods, including projects and presentations.

ACHIEVEMENTS

- Published articles in leading journals on the impact of fraud on financial reporting.
- Received 'Best Paper' award at an international auditing conference.
- Implemented a successful fraud awareness program that increased student participation by 50%.
