SKILLS

- Applied Behavior Analysis
- Functional assessments
- Data tracking
- Parent training
- Multidisciplinary collaboration
- Intervention strategies

EDUCATION

MASTER OF SCIENCE IN APPLIED BEHAVIOR ANALYSIS, UNIVERSITY OF EXAMPLE, 2012

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Successfully reduced challenging behaviors in students by 50% through targeted interventions.
- Recipient of the 'Excellence in ABA Practice' award in 2020.
- Presented research at the National Behavioral Therapy Conference, highlighting effective strategies for autism.

Michael Anderson

BEHAVIORAL THERAPIST

Experienced Autism Spectrum Educator with a focus on behavioral therapies and interventions. With over 9 years of experience, I specialize in applying Applied Behavior Analysis (ABA) techniques to support students with autism in academic and social settings. My approach is data-driven, allowing me to assess student progress and adjust interventions accordingly.

EXPERIENCE

BEHAVIORAL THERAPIST

Autism Support Services

2016 - Present

- Implemented ABA strategies to improve communication and social skills in students.
- Conducted functional behavior assessments to inform intervention strategies.
- Collaborated with teachers to integrate behavioral interventions into daily lessons.
- Trained parents on reinforcement techniques to support learning at home.
- Monitored student progress, adjusting interventions based on data analysis.
- Facilitated parent support groups to foster community and share resources.

SCHOOL-BASED AUTISM EDUCATOR

Maplewood School District

2014 - 2016

- Developed individualized behavior intervention plans (BIPs) for students with autism.
- Implemented classroom strategies that reduced disruptive behaviors by 40%.
- Collaborated with multidisciplinary teams to ensure comprehensive support.
- Provided training to staff on integrating ABA techniques into their classrooms.
- Monitored and documented student progress to communicate with stakeholders.
- Organized workshops for families on understanding autism and behavioral strategies.
