- San Francisco, CA

#### SKILLS

- Food safety compliance
- Mechanical troubleshooting
- System optimization
- Team collaboration
- Equipment maintenance
- Process improvement

#### LANGUAGES

- English
- Spanish
- French

#### EDUCATION

**ASSOCIATE DEGREE IN AUTOMATION TECHNOLOGY, COMMUNITY COLLEGE OF TECHNOLOGY, 2016**

#### ACHIEVEMENTS

- Achieved a 15% increase in packaging efficiency through system enhancements.
- Recognized for implementing a safety program that reduced incidents by 35%.
- Contributed to a project that saved \$100,000 annually in operational costs.

#### WORK EXPERIENCE

##### AUTOMATION ENGINEER

FreshPack Foods

2020 - 2025

- Maintained automated packaging lines to ensure compliance with safety standards.
- Implemented system upgrades that increased throughput by 20%.
- Collaborated with quality control to ensure product safety.
- Developed troubleshooting guides for common mechanical issues.
- Participated in continuous improvement initiatives to enhance process efficiency.
- Trained production staff on equipment operation and maintenance.

##### MAINTENANCE TECHNICIAN

PackTech Solutions

2015 - 2020

- Performed regular maintenance on automated equipment in a fast-paced environment.
- Assisted in the installation of new packaging machinery.
- Utilized diagnostic tools to troubleshoot mechanical issues.
- Documented maintenance activities and generated reports for management.
- Worked closely with engineering teams to improve system reliability.
- Participated in safety training programs for staff.
