## SKILLS

- Selenium
- Postman
- JIRA
- Test Automation
- Agile
- Quality Assurance
- API Testing
- Root Cause Analysis

## LANGUAGES

- English
- Spanish
- French

## EDUCATION

**BACHELOR OF SCIENCE IN SOFTWARE ENGINEERING, UNIVERSITY OF INNOVATION, 2014**

## ACHIEVEMENTS

- Successfully reduced testing cycle time by 35% through automation.
- Recognized for outstanding leadership and contributions to team projects.
- Achieved a 95% test case pass rate in production environments.

## AUTOMATION TEST LEAD

An innovative Automation Quality Engineer with a focus on enhancing software quality through advanced testing strategies and automation frameworks. With over 8 years of experience in the technology sector, this professional has demonstrated expertise in developing automated testing solutions that ensure the reliability and performance of applications. Strong analytical and problem-solving skills, with a proven ability to identify and resolve issues early in the development cycle.

## WORK EXPERIENCE

### AUTOMATION TEST LEAD
FutureTech Solutions
2020 - 2025

- Led a team of quality engineers in the design and implementation of automated testing solutions.
- Developed comprehensive test plans and strategies to ensure software quality.
- Utilized tools such as Selenium and Postman for API testing and validation.
- Conducted root cause analysis of defects and implemented corrective actions.
- Facilitated workshops to promote best practices in test automation.
- Collaborated with product teams to define and prioritize testing requirements.

### QUALITY ASSURANCE SPECIALIST
SmartTech Inc.
2015 - 2020

- Performed manual testing and created automated test scripts using Selenium.
- Participated in Agile development processes to align testing with sprints.
- Developed and executed test cases for functional and regression testing.
- Tracked defects using JIRA and ensured timely resolution.
- Provided feedback for software enhancements and usability improvements.
- Maintained testing documentation and reports for review and audits.
