### SKILLS

- Safety Engineering
- Compliance Monitoring
- Project Management
- Data Analysis
- Team Collaboration
- Training Development

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN  
MECHANICAL ENGINEERING, PURDUE  
UNIVERSITY**

### ACHIEVEMENTS

- Achieved a 30% improvement in safety compliance ratings through innovative testing protocols.
- Recognized with the 'Safety Champion' award for exceptional contributions to safety initiatives.
- Co-authored a paper on safety system advancements presented at an industry conference.

### WORK EXPERIENCE

#### SAFETY SYSTEMS ENGINEER

Automotive Safety Group

2020 - 2025

- Developed and implemented safety systems for hybrid vehicles, enhancing overall safety performance.
- Conducted safety audits and assessments to ensure compliance with industry standards.
- Collaborated with engineering teams to identify safety improvement opportunities.
- Managed safety testing programs, including crash tests and simulations.
- Prepared safety documentation for regulatory submissions and audits.
- Facilitated training sessions on safety compliance for engineering staff.

#### SAFETY COMPLIANCE SPECIALIST

Precision Auto Safety

2015 - 2020

- Monitored vehicle safety compliance with federal and state regulations.
- Assisted in the development of safety testing protocols for new vehicle models.
- Analyzed safety data to inform design and engineering decisions.
- Participated in safety audits and inspections.
- Collaborated with external agencies to ensure regulatory compliance.
- Supported the development of safety training materials for internal teams.
