EDUCATION

Master's Degree in Environmental Engineering
University of California
2011

SKILLS

- Emissions Testing
- Regulatory Compliance
- Environmental Analysis
- Data Interpretation
- Team Collaboration
- Problem Solving

LANGUAGES

- English
- Spanish
- French

WORK EXPERIENCE

Emissions Testing Engineer 2020-2023

CleanDrive Automotive

- Conducted emissions testing for a variety of vehicle models.
- Developed testing protocols in compliance with environmental regulations.
- Analyzed emissions data and prepared reports for regulatory submissions.
- Collaborated with engineering teams to improve vehicle emissions performance.
- Engaged with regulatory agencies to ensure compliance with standards.
- Presented findings at industry conferences, advocating for sustainable practices.

Environmental Testing Technician 2019-2020

EcoTest Labs

- Assisted in emissions testing and data collection for regulatory compliance.
- Maintained testing equipment and ensured operational integrity.
- Documented test results and prepared reports for analysis.
- Collaborated with teams to troubleshoot testing discrepancies.
- Participated in training on environmental regulations and testing methodologies.
- Supported the development of new testing protocols for emissions testing.

ACHIEVEMENTS

- Successfully reduced vehicle emissions by 15% through improved testing protocols.
- Recognized with an 'Environmental Excellence' award for contributions to emissions testing.
- Contributed to a project that led to a 25% increase in compliance with emissions standards.
