MICHAEL ANDERSON

AVIATION LOGISTICS SUPERVISOR

Dynamic Aviation Logistics Coordinator with a strong background in commercial aviation and a passion for enhancing operational efficiency. Demonstrates a comprehensive understanding of logistics processes, including procurement, inventory management, and distribution. Proven ability to manage complex projects from inception to completion, ensuring adherence to timelines and budgetary constraints. Skilled in leveraging technology to improve logistics operations and enhance customer satisfaction.

PROFESSIONAL EXPERIENCE

Skyline Airlines

Mar 2018 - Present

Aviation Logistics Supervisor

- Supervised logistics operations for the airline's fleet maintenance and parts supply.
- Implemented a new logistics tracking system, improving visibility across operations.
- Coordinated with maintenance teams to ensure timely availability of parts.
- Managed supplier relationships to negotiate better pricing and terms.
- Analyzed logistics performance metrics to drive improvements.
- Trained and mentored junior logistics staff, fostering professional growth.

AeroParts Distribution

Dec 2015 - Jan 2018

Logistics Coordinator

- Coordinated the distribution of aircraft parts to service centers nationwide.
- Managed inventory levels to ensure optimal stock availability.
- Utilized logistics software to track shipments and manage orders.
- Collaborated with sales teams to forecast demand and adjust inventory accordingly.
- Conducted market research to identify new supplier opportunities.
- Participated in logistics planning meetings to align operations with business goals.

ACHIEVEMENTS

- Increased on-time delivery rates by 20% through improved logistics processes.
- Received commendation for outstanding leadership during peak operational periods.
- Successfully reduced logistics costs by 10% through strategic sourcing initiatives.
