## SKILLS

- aerospace manufacturing
- supply chain optimization
- lean logistics
- project management
- data analysis
- supplier management

## EDUCATION

**MASTER OF SCIENCE IN SUPPLY CHAIN MANAGEMENT, MICHIGAN STATE UNIVERSITY, 2016**

## LANGUAGE

- English
- Spanish
- German

## ACHIEVEMENTS

- Achieved a 30% reduction in logistics costs through process improvements.
- Recognized for excellence in logistics management by senior leadership.
- Successfully implemented a new logistics tracking system that improved efficiency.

# Michael Anderson

## PRODUCTION LOGISTICS MANAGER

Strategic Aviation Logistics Coordinator with a focus on enhancing operational efficiency within the aerospace manufacturing sector. Proven expertise in managing logistics for production lines, ensuring timely delivery of materials, and optimizing supply chain processes to reduce waste and costs. Exceptional analytical skills enable the identification of inefficiencies and the development of targeted solutions.

## EXPERIENCE

### PRODUCTION LOGISTICS MANAGER

AeroTech Manufacturing

2016 - Present

- Oversaw logistics for manufacturing operations, ensuring materials availability.
- Implemented lean logistics practices, reducing waste by 20%.
- Coordinated with production managers to align logistics with manufacturing schedules.
- Analyzed supply chain data to forecast material requirements accurately.
- Managed relationships with suppliers to ensure quality and timeliness.
- Led logistics improvement initiatives that enhanced operational efficiency.

### LOGISTICS ANALYST

Aerospace Components Inc.

2014 - 2016

- Analyzed logistics operations to identify cost-saving opportunities.
- Supported inventory management for aerospace manufacturing processes.
- Developed reports on logistics performance for executive review.
- Collaborated with engineering teams to optimize material flows.
- Participated in process improvement workshops to enhance logistics practices.
- Trained new hires on logistics software and best practices.
