Michael Anderson

AMBIENT SCORE COMPOSER

Respected Background Score Composer with a distinct focus on ambient and atmospheric music, recognized for creating evocative soundscapes that enhance the emotional resonance of visual media. Demonstrates a profound understanding of the interplay between sound and silence, resulting in compositions that invite deep reflection and engagement. Extensive experience in collaborating with independent filmmakers and visual artists to produce scores that are both innovative and compelling.

EXPERIENCE

AMBIENT SCORE COMPOSER

Ethereal Productions

2016 - Present

- Composed atmospheric scores for over 25 independent films, enhancing viewer immersion.
- Collaborated with directors to develop soundscapes that reflect thematic elements.
- Utilized synthesizers and field recordings to create unique auditory experiences.
- Managed the post-production process to ensure high-quality audio output.
- Conducted workshops on ambient music composition for aspiring artists.
- Participated in film festivals to promote ambient scores.

SCORE DESIGNER

Visual Art Institute

2014 - 2016

- Designed soundscapes for multimedia art installations, enhancing audience engagement.
- Worked with visual artists to synchronize music with visual elements.
- Utilized sound editing software to refine and finalize compositions.
- Participated in collaborative projects to experiment with new sound technologies.
- Conducted audience feedback sessions to gauge emotional impact of scores.
- Presented findings on sound and space at art symposiums.
