# MICHAEL ANDERSON

## BATTERY SUPPLY CHAIN DIRECTOR

Strategic and innovative Battery Supply Chain Manager with a focus on operational excellence and sustainability. Extensive experience in managing supply chain operations for battery manufacturing, with a strong emphasis on reducing environmental impact. Proficient in utilizing advanced analytics to inform decision-making and improve supply chain resilience. Demonstrated success in leading cross-functional teams and driving initiatives that align with corporate sustainability objectives.

## PROFESSIONAL EXPERIENCE

### **Renewable Power Inc.**

*Mar 2018 - Present*

Battery Supply Chain Director

- Directed supply chain operations for battery production, achieving a 30% reduction in waste.
- Implemented sustainable sourcing policies that increased the use of recycled materials.
- Developed key performance indicators to measure supply chain efficiency.
- Negotiated contracts with suppliers to secure favorable pricing and terms.
- Led cross-departmental teams to enhance collaboration and efficiency.
- Utilized forecasting tools to anticipate market demand and adjust supply accordingly.

### **EcoBattery Solutions**

*Dec 2015 - Jan 2018*

Senior Supply Chain Analyst

- Analyzed supply chain data to identify areas for cost savings and efficiency improvements.
- Developed inventory management strategies that improved stock accuracy by 20%.
- Collaborated with engineering teams to align materials sourcing with product design.
- Facilitated supplier audits to ensure compliance with environmental standards.
- Monitored market trends to inform sourcing strategies and decisions.
- Provided training on sustainability practices within supply chain operations.

## ACHIEVEMENTS

- Led an initiative that reduced supply chain carbon footprint by 25%.
- Awarded 'Best Sustainability Project' in 2022 for innovative sourcing strategies.
- Implemented a training program that enhanced team knowledge on sustainable practices.
