

MICHAEL ANDERSON

SENIOR BEADWORK ARTISAN

PROFILE

Accomplished beadwork artisan with a robust background in traditional and contemporary bead crafting techniques. Demonstrates a profound understanding of material properties and design principles, resulting in the creation of stunning, functional art pieces. A history of successful collaborations with fashion designers, integrating beadwork into haute couture collections. Recognized for the ability to innovate while respecting traditional methods, leading to unique, marketable products.

EXPERIENCE

SENIOR BEADWORK ARTISAN

Chic Beads Boutique

2016 - Present

- Created custom beadwork pieces for high-profile fashion shows.
- Collaborated with designers to develop cohesive accessory lines.
- Managed client consultations to align artistic vision with client expectations.
- Trained junior artisans in advanced beadwork techniques and best practices.
- Oversaw the procurement of materials, ensuring sustainability and quality.
- Participated in industry trade shows to showcase collections and network.

FREELANCE BEADWORK CONSULTANT

Self-Employed

2014 - 2016
