WORK EXPERIENCE

Digital Learning Coordinator

2020-2023

Beauty Tech Academy

- Designed and launched online courses that reached over 2,000 learners globally.
- Utilized data analytics to assess course effectiveness and learner engagement.
- Created interactive webinars that incorporated multimedia elements to enhance learning.
- Monitored industry trends in digital education to ensure cutting-edge content.
- Facilitated virtual networking events that connected beauty professionals worldwide.
- Developed a feedback system that allowed learners to suggest course improvements.

Beauty Technology Consultant

2019-2020

Innovative Beauty Solutions

- Advised beauty brands on integrating technology into their customer engagement strategies.
- Developed training materials that educated staff on new digital tools.
- Conducted workshops that demonstrated the use of technology in beauty applications.
- Collaborated with tech developers to create user-friendly educational platforms.
- Monitored user feedback to enhance digital product offerings.
- Created a digital resource library for beauty professionals seeking technology insights.

ACHIEVEMENTS

- Increased online course enrollment by 75% within the first six months.
- Awarded 'Innovator of the Year' by the Digital Learning Association in 2023.
- Successfully launched a series of webinars that attracted over 5,000 participants.
