Michael Anderson

YOUTH BEHAVIOR CHANGE SPECIALIST

Enthusiastic Behavior Change Researcher with a background in educational psychology, specializing in youth engagement and intervention strategies. Over the past 4 years, I have worked in educational settings to implement programs aimed at fostering positive behavioral changes among students. My experience includes collaborating with educators and community organizations to design engaging curricula that address various behavioral challenges.

EXPERIENCE

YOUTH BEHAVIOR CHANGE SPECIALIST

Youth Empowerment Network

2016 - Present

- Developed programs that improved student engagement by 35% through interactive workshops.
- Conducted assessments to identify behavioral challenges and tailor interventions.
- Collaborated with teachers to integrate behavior change strategies into the classroom.
- Facilitated support groups that promoted positive peer relationships.
- Monitored program effectiveness, leading to a 20% reduction in disciplinary actions.
- Presented findings to educational stakeholders to influence policy changes.

RESEARCH ASSISTANT

Institute for Youth Development

2014 - 2016

- Assisted in the development of surveys measuring youth behavior and attitudes.
- Analyzed data to provide insights for program improvements.
- Conducted literature reviews on effective behavior change strategies for youth.
- Supported the implementation of community-based programs targeting at-risk youth.
- Facilitated training sessions for educators on youth engagement techniques.
- Contributed to reports that informed funding proposals for new initiatives.
