EDUCATION

**MASTER OF SCIENCE IN EDUCATIONAL
TECHNOLOGY, STANFORD
UNIVERSITY, 2014**

ACHIEVEMENTS

- Increased student engagement by 60% through tech-based programs.
- Received 'Innovative Educator' award for contributions to behavioral education.
- Developed a mentorship program that improved peer interactions by 30%.

Dynamic Behavioral Intervention Specialist with a focus on integrating technology into therapeutic practices, bringing over 7 years of experience in educational and clinical settings. I have developed a unique approach that leverages digital tools to enhance behavioral interventions and increase engagement among children. My expertise lies in creating interactive programs that support students with behavioral challenges, ensuring they are actively involved in their own learning and growth.

WORK EXPERIENCE

TECHNOLOGY INTEGRATION BEHAVIORAL SPECIALIST

Innovative Learning Solutions

2020 - 2025
