

MICHAEL ANDERSON

LEAD BEHAVIORAL MARKETING STRATEGIST

PROFILE

With a decade of experience in behavioral marketing, I specialize in applying psychological principles to enhance consumer engagement and drive sales. My journey began in the tech industry, where I honed my skills in data-driven decision-making. Over the years, I have transitioned into the retail sector, where I leveraged behavioral insights to craft compelling marketing campaigns.

EXPERIENCE

LEAD BEHAVIORAL MARKETING STRATEGIST

Retail Dynamics LLC

2016 - Present

- Led the development of a behavioral marketing framework that increased customer retention by 30%.
