MICHAEL ANDERSON

DIRECTOR OF RESEARCH

I am a seasoned Behavioral Policy Researcher with over 10 years of experience in the nonprofit sector, focusing on social justice and community engagement. My professional journey has been fueled by a passion for understanding the behavioral factors that drive societal change. I have successfully led initiatives that harness behavioral insights to empower marginalized communities and improve public policy outcomes.

PROFESSIONAL EXPERIENCE

Community Empowerment Network

Mar 2018 - Present

Director of Research

- Managed research projects aimed at understanding community needs and behaviors.
- Facilitated focus groups that informed policy recommendations on housing and education.
- Developed partnerships with local organizations to enhance research outreach.
- Presented research findings to policymakers, resulting in the adoption of new programs.
- Authored grant proposals that secured funding for behavioral research initiatives.
- Trained staff on data collection techniques and ethical considerations in research.

Social Justice Research Institute

Dec 2015 - Jan 2018

Research Associate

- Conducted qualitative research to explore the impact of policy on underserved communities.
- Analyzed data to inform advocacy efforts for equitable policy reforms.
- Collaborated with a multidisciplinary team to develop community-based interventions.
- Presented findings to stakeholders, fostering dialogue on social justice issues.
- Wrote detailed reports that highlighted research findings and recommendations.
- Participated in community events to engage with residents and gather input.

ACHIEVEMENTS

- Secured over \$300,000 in funding for community-based research projects.
- Recognized for outstanding contributions to social justice initiatives in the community.
- Published articles in peer-reviewed journals on behavioral research and social policy.
