

MICHAEL ANDERSON

Behavioral Sciences Lecturer

Motivated Behavioral Sciences Educator with over 9 years of experience in community college settings, dedicated to promoting student success through innovative teaching practices and community involvement. My focus has been on integrating real-world applications of behavioral science into the curriculum to enhance student learning outcomes. I actively engage with local organizations to provide resources and support for students, including internships and mentorship programs.

WORK EXPERIENCE

Behavioral Sciences Lecturer

2020-2023

Hillside Community College

- Developed course materials that incorporate community-based projects, enhancing student engagement.
- Implemented service-learning opportunities that linked theory with practice for over 150 students annually.
- Conducted assessments to evaluate student learning and adapt teaching strategies accordingly.
- Collaborated with local businesses to create internship opportunities for students.
- Facilitated workshops that promote awareness of behavioral health issues.
- Mentored students in their academic and career pursuits, fostering a supportive learning environment.

Adjunct Instructor

2019-2020

Riverside College

- Taught introductory courses in behavioral sciences to diverse student populations.
- Utilized technology to create interactive learning experiences that improved student outcomes.
- Participated in curriculum development to enhance course offerings in behavioral health.
- Provided academic advising to students seeking guidance in their educational journey.
- Evaluated student performance and provided constructive feedback to support growth.
- Engaged in community outreach initiatives to promote the importance of behavioral health education.

ACHIEVEMENTS

- Increased student retention rates by 25% through the implementation of support systems.
- Received the Community Engagement Award for promoting behavioral health awareness in 2019.
- Successfully guided students in securing internships at local mental health organizations.
