SKILLS

- Food formulation
- Sensory evaluation
- Process optimization
- Product development
- Team collaboration
- Regulatory compliance

EDUCATION

BACHELOR OF SCIENCE IN FOOD SCIENCE AND ENGINEERING, UNIVERSITY OF CALIFORNIA, DAVIS, 2016

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Launched a new beverage line that received industry recognition for innovation.
- Improved product formulations that resulted in a 20% sales increase in the first year.
- Presented at industry trade shows on trends in functional foods.

Michael Anderson

BIOCHEMICAL ENGINEER - PRODUCT DEVELOPMENT

Creative Biochemical Engineer with 4 years of experience in the food and beverage industry, specializing in the development of functional foods and beverages. Strong foundation in food science and biotechnology, with a track record of developing products that meet consumer demand for health and wellness. Skilled in formulation, sensory evaluation, and process optimization.

EXPERIENCE

BIOCHEMICAL ENGINEER - PRODUCT DEVELOPMENT

NutriBrew Inc.

2016 - Present

- Developed new functional beverage formulations that increased market share by 15%.
- Conducted sensory evaluations to assess consumer preferences and improve product acceptance.
- Collaborated with marketing teams to create targeted product launches.
- Optimized brewing processes to enhance flavor and nutritional profiles.
- Performed stability testing to ensure product shelf-life and quality.
- Maintained compliance with food safety regulations throughout product development.

JUNIOR BIOCHEMICAL ENGINEER

FlavorTech Solutions

2014 - 2016

- Assisted in the development of flavor profiles for new food products.
- Conducted laboratory experiments to test formulations and assess performance.
- Collaborated with production teams to ensure scalability of new products.
- Maintained accurate documentation of formulations and experimental results.
- Participated in consumer focus groups to gather feedback on product concepts.
- Supported regulatory compliance efforts for new product launches.
