### SKILLS

- Biological Control
- Pest Assessment
- Data Analysis
- Educational Outreach
- Collaboration
- Research Support

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**B.S. IN AGRICULTURAL SCIENCE,  
UNIVERSITY OF ILLINOIS**

### ACHIEVEMENTS

- Increased pest control effectiveness by 20% through innovative strategy implementation.
- Recognized as Employee of the Month for outstanding contributions in June 2022.
- Contributed to a research project that won the Best Paper Award at a national conference.

### WORK EXPERIENCE

#### AGRICULTURAL PEST CONTROL ADVISOR

Harvest Innovations

2020 - 2025

- Provided expert advice on the implementation of biological pest control measures.
- Conducted pest population assessments and analyzed data to recommend interventions.
- Organized field demonstrations to showcase effective pest control practices.
- Developed educational materials for farmers on sustainable pest management.
- Collaborated with agronomists to optimize crop protection strategies.
- Monitored pest control outcomes and adjusted strategies as necessary.

#### RESEARCH ASSISTANT

AgriTech Research Labs

2015 - 2020

- Assisted in trials assessing the effectiveness of biological control agents.
- Collected and analyzed data to support ongoing research projects.
- Maintained laboratory conditions for pest rearing and experimentation.
- Participated in the preparation of research reports and presentations.
- Engaged with stakeholders to communicate research findings and implications.
- Provided logistical support for field trials and data collection activities.
