MICHAEL ANDERSON

SENIOR COMPLIANCE OFFICER

Dedicated Biomedical Compliance Specialist with 10 years of comprehensive experience in the healthcare industry, focusing on regulatory compliance, quality assurance, and risk management. My proficiency in interpreting and applying regulatory guidelines has led to successful product approvals and audits. I am skilled in collaborating with cross-functional teams to ensure that all aspects of compliance are met throughout the product lifecycle.

PROFESSIONAL EXPERIENCE

LifeScience Corp.

Mar 2018 - Present

Senior Compliance Officer

- Oversaw compliance for clinical trials and post-market surveillance activities.
- Developed and implemented compliance training programs for staff.
- Conducted audits and inspections, reporting findings to senior management.
- Collaborated with legal teams to ensure regulatory adherence.
- Reviewed and approved clinical trial protocols and informed consent documents.
- Achieved compliance with ISO 13485 standards across multiple product lines.

Global Health Solutions

Dec 2015 - Jan 2018

Regulatory Affairs Specialist

- Prepared regulatory submissions for new drug applications and INDs.
- Monitored regulatory developments and communicated updates to teams.
- Worked with R&D to align product specifications with regulatory requirements.
- Conducted training on Good Clinical Practice (GCP) for clinical staff.
- Managed compliance documentation for regulatory audits.
- Contributed to the successful launch of three new drugs within budget and timeline.

ACHIEVEMENTS

- Led a project that resulted in a 25% reduction in compliance-related incidents.
- Recognized for excellence in audit performance, achieving zero findings.
- Published a paper on compliance strategies in a peer-reviewed journal.
