WORK EXPERIENCE

EMR Integration Specialist

2020-2023

SmartHealth Solutions

- Led the implementation of EMR systems across multiple healthcare facilities, improving data accessibility.
- Trained over 100 healthcare staff on effective EMR usage, enhancing operational efficiency.
- Conducted user experience assessments to identify areas for system improvement.
- Collaborated with IT teams to troubleshoot and resolve EMR-related issues, reducing downtime by 20%.
- Developed and maintained documentation for EMR processes and best practices.
- Analyzed data trends to recommend system enhancements that increased user satisfaction.

Health Informatics Intern

2019-2020

Health Systems Inc.

- Assisted in the assessment of existing health information systems for usability and efficiency.
- Supported the migration of patient data to new electronic systems, ensuring data integrity.
- Participated in training sessions for staff on new health informatics technologies.
- Engaged in research projects focused on the impact of EMR on patient outcomes.
- Documented best practices for data management and electronic documentation.
- Collaborated with cross-functional teams to streamline health information workflows.

ACHIEVEMENTS

- Successfully implemented EMR system upgrades that enhanced data retrieval speed by 30%.
- Received recognition for outstanding contributions to the EMR project during company-wide meetings.
- Contributed to a 20% increase in staff productivity through effective training programs.
