

MICHAEL ANDERSON

LOGISTICS MANAGER

PROFILE

Innovative Biotech Logistics Coordinator with extensive experience in managing complex logistics operations within the biotechnology and pharmaceutical industries. Expertise in coordinating cross-border shipments, ensuring compliance with international regulations, and optimizing supply chain processes. Demonstrates a meticulous approach to logistics management, leveraging data analytics to enhance operational efficiencies and reduce costs. Strong communicator adept at liaising with internal stakeholders and external partners to facilitate seamless logistics operations.

EXPERIENCE

LOGISTICS MANAGER

Pfizer

2016 - Present

- Oversaw logistics operations for the distribution of biopharmaceutical products across Europe.
- Implemented supply chain strategies that improved delivery timelines by 20%.
- Managed relationships with freight forwarders to streamline import/export processes.
- Utilized ERP systems to monitor inventory levels and forecast demand accurately.
- Conducted risk assessments to identify potential disruptions in the supply chain.
- Led training sessions on regulatory compliance for logistics personnel.

SUPPLY CHAIN ANALYST

Roche

2014 - 2016

- Analyzed logistics data to identify trends and recommend process improvements.
- Assisted in the development of logistics strategies for new product launches.
- Collaborated with IT to enhance tracking systems for better visibility of shipments.
- Maintained documentation for compliance with industry regulations.
- Participated in cross-functional teams to address supply chain challenges.
- Monitored key performance indicators to ensure logistics efficiency.
