# MICHAEL ANDERSON

## JUNIOR LOGISTICS COORDINATOR

Detail-oriented Biotech Logistics Coordinator with over six years of dedicated experience in supply chain management and logistics within the biotechnology sector. Adept at managing the complexities of logistics operations, including transportation, warehousing, and inventory management, while ensuring compliance with industry regulations. Possesses a strong analytical mindset, capable of utilizing data-driven insights to enhance operational efficiency and drive cost savings.

### **PROFESSIONAL EXPERIENCE**

#### **Biogen**

*Mar 2018 - Present*

Junior Logistics Coordinator

- Assisted in the planning and execution of logistics operations for product distribution.
- Monitored inventory levels and coordinated replenishment activities.
- Maintained compliance documentation for all logistics activities.
- Collaborated with suppliers to ensure timely delivery of materials.
- Utilized logistics software to track shipments and manage orders.
- Participated in continuous improvement initiatives to enhance logistics processes.

#### **Novartis**

*Dec 2015 - Jan 2018*

Supply Chain Intern

- Assisted in data entry and analysis for supply chain performance metrics.
- Supported the logistics team in daily operations and reporting.
- Participated in team meetings to discuss supply chain improvements.
- Conducted research on logistics trends and best practices.
- Helped prepare presentations for management on logistics performance.
- Shadowed experienced coordinators to gain insights into logistics operations.

### **ACHIEVEMENTS**

- Contributed to a project that reduced logistics processing time by 15%.
- Recognized for outstanding performance during internship at Novartis.
- Successfully managed logistics for a small-scale product launch with zero errors.
