# MICHAEL ANDERSON

## LEAD IP ANALYST

A dynamic Biotechnology IP Analyst with extensive expertise in patent law and its application within the biotechnology sector. Adept at evaluating the commercial viability of biotechnological innovations through rigorous patent analysis and competitive intelligence. Demonstrates a strong ability to align IP strategy with corporate objectives, thereby enhancing the overall value of the IP portfolio.

## **PROFESSIONAL EXPERIENCE**

### **Regeneron Pharmaceuticals**

*Mar 2018 - Present*

Lead IP Analyst

- Led IP strategy development for novel biotechnology products.
- Conducted patent audits to assess portfolio strength and weaknesses.
- Collaborated with R&D to align IP with product development timelines.
- Engaged in negotiations for IP-related partnerships.
- Produced detailed reports for executive leadership on IP opportunities.
- Implemented training programs to enhance IP literacy across departments.

### **Vertex Pharmaceuticals**

*Dec 2015 - Jan 2018*

Biotechnology Patent Analyst

- Conducted thorough patent searches and analyses to support litigation strategies.
- Assisted in drafting patent applications and responses.
- Maintained a comprehensive database of patent filings and statuses.
- Provided insights on competitors' IP strategies and trends.
- Collaborated with legal teams to address patent disputes.
- Facilitated discussions with inventors on patentable innovations.

## **ACHIEVEMENTS**

- Secured a pivotal patent that significantly enhanced product differentiation.
- Implemented an IP management system that improved efficiency by 25%.
- Recognized for outstanding leadership in IP strategy development.
