

MICHAEL ANDERSON

SENIOR BOAT CARPENTER

PROFILE

Distinguished boat carpenter with a robust background in sustainable boat building practices, spanning nearly a decade in the industry. Expert in the application of eco-friendly materials and techniques that meet stringent environmental standards. Demonstrates a strong commitment to craftsmanship, focusing on both aesthetic appeal and functionality. Adept at utilizing traditional woodworking methods in conjunction with modern technology to create durable vessels that stand the test of time.

EXPERIENCE

SENIOR BOAT CARPENTER

EcoMarine Solutions

2016 - Present
