WORK EXPERIENCE

Boiler Systems Engineer

2020-2023

PharmaTech Solutions

- Designed sterile boiler systems to meet pharmaceutical compliance requirements.
- Led initiatives to enhance boiler safety and operational efficiency.
- Conducted thorough risk assessments and developed mitigation plans.
- Collaborated with regulatory agencies during inspections and audits.
- Managed documentation for compliance and operational standards.
- Trained staff on best practices for sterile boiler operations.

Boiler Operations Engineer

2019-2020

HealthCare Energy Solutions

- Monitored boiler performance in compliance with safety regulations.
- Assisted in the development of maintenance schedules for sterile systems.
- Documented operational logs and maintenance records.
- Participated in safety audits and compliance checks.
- Provided technical support for boiler operations and troubleshooting.
- Engaged in continuous education on regulatory requirements.

ACHIEVEMENTS

- Improved boiler performance by 30% through system upgrades.
- Awarded 'Best Engineer' for contributions to safety and efficiency.
- Successfully led a project that resulted in zero compliance violations during audits.
