# MICHAEL ANDERSON

## BOOM OPERATOR

Accomplished Boom Operator specializing in documentary filmmaking, bringing over six years of experience in capturing authentic narratives through sound. Expert in utilizing advanced audio technologies and techniques to create immersive auditory experiences that complement visual storytelling. Known for exceptional attention to detail and a collaborative approach to production, working closely with directors and sound designers to ensure the highest quality outcomes.

## PROFESSIONAL EXPERIENCE

### **Documentary Films Co.**

*Mar 2018 - Present*

#### Boom Operator

- Captured nuanced soundscapes for various documentary projects.
- Collaborated with directors to achieve desired audio narratives.
- Managed audio equipment in challenging outdoor environments.
- Conducted interviews while ensuring optimal sound quality.
- Developed sound documentation for post-production analysis.
- Trained interns on sound equipment and best practices.

### **Indie Documentary Productions**

*Dec 2015 - Jan 2018*

#### Assistant Boom Operator

- Supported lead operators in capturing sound during shoots.
- Maintained and organized sound equipment for easy access.
- Conducted preliminary sound checks before filming commenced.
- Documented sound-related issues and solutions for future reference.
- Participated in location scouting to identify optimal sound capture points.
- Assisted with sound editing during post-production phases.

## ACHIEVEMENTS

- Received the Best Sound Award at the Documentary Film Festival.
- Contributed to a documentary that won an Emmy Award.
- Improved sound recording efficiency by 20% through innovative techniques.
