### EDUCATION

#### Bachelor of Science in Electrical Engineering

Future University  
2019

### SKILLS

- Smart Technology Integration
- Energy Management
- Team Collaboration
- Technical Documentation
- Client Engagement
- Software Proficiency

### LANGUAGES

- English
- Spanish
- French

### WORK EXPERIENCE

#### Assistant Building Automation Engineer

2020-2023

NextGen Automation

- Assisted in the design and installation of building automation systems for new projects.
- Conducted energy assessments to identify areas for improvement.
- Supported senior engineers in project execution and troubleshooting.
- Engaged with clients to understand their automation needs and preferences.
- Maintained accurate project documentation and reporting.
- Participated in training sessions to enhance technical skills.

#### Intern Building Automation Engineer

2019-2020

Smart Systems Co.

- Gained hands-on experience in the installation and configuration of automation systems.
- Assisted in data collection and analysis for system performance evaluation.
- Supported project teams in daily operations and client interactions.
- Learned to use building management software for monitoring systems.
- Contributed to the development of user manuals and training materials.
- Participated in team meetings to discuss project progress and challenges.

### ACHIEVEMENTS

- Contributed to a project that achieved a 15% reduction in energy use.
- Recognized for exceptional teamwork during a high-pressure project.
- Developed a training manual adopted by the engineering team.
