SKILLS

- AutoCAD
- Revit
- Building Information Modeling
- Project Management
- Sustainable Design
- Team Communication

LANGUAGES

- English
- Spanish
- French

EDUCATION

BACHELOR OF SCIENCE IN ARCHITECTURE, UNIVERSITY OF CALIFORNIA, BERKELEY, 2017

ACHIEVEMENTS

- Recognized for leading a project that achieved LEED certification.
- Improved design accuracy by 25% through enhanced review processes.
- Received 'Employee of the Year' award for outstanding contributions to project success.

WORK EXPERIENCE

CAD ENGINEER

GreenBuild Architects

2020 - 2025

- Developed architectural plans and 3D models for residential and commercial projects.
- Managed BIM processes to enhance project coordination and efficiency.
- Collaborated with project managers and architects to ensure design integrity.
- Performed site visits to assess project feasibility and compliance.
- Implemented sustainable design solutions that reduced energy consumption by 15%.
- Provided training on Revit software to junior staff members.

JUNIOR CAD TECHNICIAN

BuildRight Construction

2015 - 2020

- Assisted in creating detailed architectural drawings for various construction projects.
- Supported the preparation of project specifications and reports.
- Reviewed drawings for accuracy and compliance with local codes.
- Coordinated with subcontractors to clarify design intent.
- Participated in project meetings to discuss design updates and challenges.
- Contributed to the development of a digital archive for project documentation.
