Michael Anderson

CAMERA ASSISTANT

Dynamic and innovative Camera Assistant with a rich background in live event production and broadcasting. Proven expertise in operating camera systems in high-pressure environments, delivering high-quality visuals for live audiences. Adept at working alongside directors and technical crews to ensure seamless execution of live broadcasts, including sports events and concerts. Strong understanding of camera angles, lighting, and sound integration to enhance viewer experience.

EXPERIENCE

CAMERA ASSISTANT

Live Broadcast Productions

2016 - Present

- Operated multiple camera angles during live broadcasts to capture key moments.
- Collaborated with directors to determine shot composition and transitions in real-time.
- Ensured all camera equipment was properly maintained and functional prior to events.
- Assisted in the setup of lighting and audio equipment to enhance broadcast quality.
- Monitored feed quality during live events, troubleshooting issues as they arose.
- Engaged with technical teams to streamline production processes and improve efficiency.

PRODUCTION ASSISTANT

Event Horizon Media

2014 - 2016

- Supported camera operators during live events, assisting with equipment setup and operation.
- Participated in pre-event planning meetings to discuss logistics and expectations.
- Maintained a detailed inventory of equipment, ensuring readiness for events.
- Provided on-the-ground support during events, facilitating smooth camera operations.
- Contributed to post-event reviews, providing insights for future improvements.
- Engaged in training sessions to enhance technical skills and operational knowledge.
