# MICHAEL ANDERSON

## LEAD SUSTAINABILITY CONSULTANT

Visionary Carbon Advisory Consultant with a focus on corporate sustainability and environmental impact assessment. Expertise in crafting comprehensive sustainability frameworks that guide organizations toward achieving their carbon neutrality goals. Proven ability to leverage quantitative analysis and sustainability metrics to drive decision-making processes. Strong leadership skills demonstrated through the successful management of multidisciplinary teams and complex projects.

## **PROFESSIONAL EXPERIENCE**

### **Ecolnnovate Group**

*Mar 2018 - Present*

Lead Sustainability Consultant

- Developed sustainability frameworks for corporate clients across various industries.
- Implemented carbon footprint reduction initiatives that improved operational efficiency.
- Conducted training sessions for employees on sustainability best practices.
- Engaged with senior management to align sustainability strategies with business goals.
- Utilized lifecycle assessment tools to evaluate product sustainability.
- Managed project budgets and timelines to ensure successful delivery.

### **Greenworks Advisory**

*Dec 2015 - Jan 2018*

Environmental Policy Consultant

- Provided strategic advice on environmental policy compliance for corporate clients.
- Analyzed and reported on the efficacy of existing sustainability initiatives.
- Facilitated stakeholder dialogues to enhance community engagement.
- Prepared comprehensive reports for regulatory submissions.
- Collaborated with environmental NGOs to promote sustainable practices.
- Conducted market research to identify emerging sustainability trends.

## **ACHIEVEMENTS**

- Led a project that resulted in a 25% reduction in carbon emissions for a major retailer.
- Recognized for excellence in sustainability consulting by a leading industry body.
- Published a white paper on innovative sustainability practices in corporate settings.
